

Range: *ESPRIT*
Model: *AUSTRALE EZ*

Australe EZ is the new reference speaker in the range, and is the result of unprecedented technological innovations.

Dynamic Pulse System (DPS) technology: Addition of a second tweeter at the rear of the speaker to improve the aperture and reduce directivity.

New bass drivers powered by an oversized engine in order to go down to 29Hz and provide a true physical impact at low frequency.

Driver Vibration Absorption System (DVAS) technology: decoupling its loudspeakers by using reinforcements of the cabinet, which are pushed against the magnet in order to dampen vibrations.

Use of high-end processes of filters and internal cabling inspired by the Signature range.

AUSTRALE EZ

TECHNICAL SPECIFICATIONS

Type	Bass Reflex
Ways	3
Sensitivity (dB/W/m)	92,5
Bandwidth (+/-3dB Hz-KHz)	29-22
Power Handling (W Rms)	150
Minimum Impedance (ohms)	3.3
Cabinets Dimensions WxDxH (mm)	200 x 370 x 1130
Dimensions with Pedestal WxDxH (mm)	300 x 460 x 1170
Net Weight (Kg)	38,8
EAN Code	Black High Gloss : 3660216005304 White High Gloss : 3660216005311
